M E N U

Bahur-Tov" is one of the oldest kosher restaurants in Vienna. On Taborstrasse, in the heart of the Jewish district of Vienna, we not only serve the local and international Jewish community, but are also popular with Austrians and travelers looking for a menu with a wide range of regional, oriental, Jewish and international dishes.

Bahur-Tov stands for family, togetherness and good food for 2 generations, two of them in Vienna.
